

City Hall Renovations Committee

Tuesday, June 9, 2009

Attendance: Police Chief Rex Taylor, City Administrator John Carter, Jeannie Gochenour, Councilman Scott Gregory, Councilman Mark Kohles, Councilman Bill Art and Mayor Foster

Discussed the need to have the duct cleaning done and the electrical issues addressed as well as the windows. At our next meeting we will develop a time table.

Discussed exploring the 3rd floor as the expansion and improvements for the City of Roeland Park. Mr. Kohles will dust off the old plans and will meet with the Police Chief on his ideas. Jeannie will get with Mark and Rex to confirm date of meeting.

John will pull the electrical estimates report as well as do some research regarding cost of duct cleaning.

Mark and Mayor both spoke with Joel Marquardt to see if he would like to be part of the Committee. Details are being worked out.

The importance of moving this project forward in the most efficient and effective manner was expressed.
