READY TO INCREASE GLASS RECYCLING?

WE NEED YOUR HELP!

Let's work together to make sure residents know about their glass recycling services!

*We can create a flyer that can be placed in city utility bills.

Add more purple bins to Roeland Park!

*Help us identify potential bin locations.

Direct businesses to our Commercial Program!

*Spread the word to local bars, restaurants, apartment complexes, and businesses about becoming a Certified Ripple Glass recycler.

Help residents recycle glass curbside!

*Partner with Ripple Glass to offer a city-wide curbside glass recycling service.

Offer residents home collection bins!

*Purchase home collection containers in bulk at a discount for your residents. Residents are more likely to recycle when they have a dedicated home collection container.
